

Bob's Digital Calamity

Ex. 1 Read the text. Replace the pictures with words.

It's Tuesday afternoon. Bob is back from school. He has some homework but he doesn't

want to do it. He starts his

1..... and logs onto his favourite

There he plays computer games. After two hours he feels bored so he downloads a new game.

When he opens the

3 and clicks on the installation file, something

strange happens. The

4 turns on and on the

appears a picture of Bob. But it isn't a picture of Bob's nice face. This boy has dark eyes and a frown on his face. "No more games!" the face screams over and over. Bob is scared. He wants to

turn off the

6 but it doesn't work. Then he tries to move the

7 but it is blocked. And the

8 is blocked too!

"What can I do?", he asks himself. After a while Bob decides to shut down the computer.

"It is a

9", he shouts out loud.

It's 7 o'clock. Bob eats dinner with his parents and does his school homework. Then he finds a book on the shelf. He takes it and starts reading. Two hours pass. Bob's mum enters his bedroom. "Honey, why are you not sleeping?", she asks. "Mum, I really like the book! Thank you for the gift", answers Bob. Mum smiles and leaves the room. She's happy.

The next day after school Bob turns on the computer. The ugly face of the virus is gone. Now he can play again. But Bob doesn't want to play. Instead, he googles some information for his homework and then turns off the laptop. He opens the book and reads for hours and hours. It is Bob's new magic.
